

## **Site 25 Open House Former NAS Moffett Field**

The U.S. Navy invites you to an open house being held for the public on cleanup plans for Site 25, which includes NASA's Stormwater Retention Pond and Midpeninsula Regional Open Space District's Stevens Creek Shoreline Nature Study Area.

The open house will be held:

**On:** Thursday, October 14 from 5 to 9 p.m.  
**At:** Mountain View City Hall  
4<sup>th</sup> Floor Gallery  
500 Castro Street  
Mountain View, CA 94041

The Navy is developing cleanup levels and alternatives for Site 25 that would allow property owners to implement tidal marsh restoration in the future. These alternatives will be evaluated along with others previously developed for the seasonal wetland land use.

During the open house, Navy, NASA and regulatory representatives will answer questions and concerns about the environmental cleanup at the site. We encourage you to attend this open house and hope to see you there!

For further information about the open house or Site 25 cleanup, please feel free to contact Ms. Andrea Espinoza, Navy BRAC Environmental Coordinator, at 619-532-0911 or [andrea.espinoza@navy.mil](mailto:andrea.espinoza@navy.mil).

The Navy welcomes your input!
